Privacy Policy

Effective Date: March 7, 2026 | WOML LLC, Pennsylvania

This Privacy Policy explains how WOML LLC ("WOML," "we," "us," or "our") collects, uses, protects, and in certain cases commercializes information in connection with the WOML platform at womleads.com. By accessing or using our platform, you agree to the practices described in this Policy.

1. WHO WE ARE

WOML LLC is a Pennsylvania-based private-channel lead generation platform that connects businesses ("Businesses") with lead providers ("Lead Providers"). WOML serves as the marketplace operator and is not a party to any individual lead transaction.

2. WHO THIS POLICY APPLIES TO

This Policy applies to all individuals who interact with the WOML platform, including:

- Business owners and administrators who create accounts and configure lead channels.
- Lead Providers (car salespeople) who register through invite links and submit leads.
- Lead Customers — individuals whose information is submitted as part of a lead.
- Visitors to womleads.com.

3. INFORMATION WE COLLECT

3.1 Information from Businesses

When a Business registers on WOML, we collect: business name, owner name, contact email, phone number, billing and payment information (processed through Stripe), lead criteria configurations, and payout rate settings.

3.2 Information from Lead Providers

When a Lead Provider registers through an invite link, we collect: full name, phone number, email address, Stripe Connect bank account details (for payouts), driver's license or government-issued ID (processed by our third-party ID verification service), and lead submission activity.

3.3 Lead Customer Information

Lead Providers submit information about prospective customers on behalf of Businesses. This may include: full name, phone number, email address, and any additional fields required by the Business's lead criteria. This information is transmitted to the Business on whose behalf the lead is submitted.

3.4 Automatically Collected Information

We automatically collect standard technical information when you use our platform, including: IP address, browser type and version, device identifiers, pages visited, timestamps, and session data. This information is used for security, fraud detection, and platform performance.

3.5 Transactional & Behavioral Data

WOML records lead submission events, payout transactions, conversion rates, provider activity patterns, and channel performance metrics. This transactional and behavioral data is owned by WOML and is used to operate and improve the platform.

4. HOW WE USE YOUR INFORMATION

We use the information we collect to:

- Operate the WOML platform and facilitate lead transactions between Businesses and Lead Providers.
- Process payments and disburse payouts to Lead Providers via Stripe Connect.
- Verify the identity of Lead Providers using ID verification services.

- Analyze platform performance and improve our services.
- Enforce our Terms of Service and legal obligations.

5. DATA WE DO NOT SELL & DATA WE RESERVE THE RIGHT TO COMMERCIALIZE

WOML distinguishes between personal information — which we do not sell — and de-identified platform intelligence — which WOML owns and may commercialize.

5.1 Personal Information — Never Sold

WOML does not sell, rent, lease, or trade the following categories of personal information to third parties for their direct commercial use:

- Names, phone numbers, email addresses, or physical addresses of Businesses, Lead Providers, or Lead Customers.
- Driver's license data, government-issued ID information, or any biometric identifiers.
- Bank account information, routing numbers, or any financial account details.
- Individual lead transaction records tied to identifiable persons.

5.2 Platform Intelligence — WOML Owns & May Commercialize

As disclosed in WOML's Business Agreement (Section 4.3) and Provider Agreement (Section 2.3), WOML retains ownership of aggregated, de-identified platform intelligence derived from platform activity. This may include:

- Aggregated lead volume, conversion rates, and market-level performance trends.
- De-identified behavioral patterns across the WOML network.

- Geographic or demographic market intelligence (never tied to identifiable individuals).
- Platform usage analytics and performance benchmarks.

By accepting WOML's Business Agreement or Provider Agreement, you acknowledge and consent to WOML's right to use, license, or sell such de-identified and aggregated insights. To opt out of commercial data use, contact womleads@outlook.com. WOML will process opt-out requests within 30 days.

6. COOKIES & TRACKING TECHNOLOGIES

12. SMS COMMUNICATIONS & TCPA CONSENT

Message and data rates may apply. Message frequency varies. You may opt out at any time by replying STOP to any WOML SMS message or by contacting womleads@outlook.com. Standard carrier rates apply.

WOML does not send promotional or marketing SMS messages without your separate, explicit consent. Invite and transactional messages are sent solely to facilitate platform onboarding and account activity.

13. DRIVER'S LICENSE & IDENTITY VERIFICATION

The following applies to your license and identity data:

- License images are processed by our third-party verification service and are not stored in plaintext within WOML's own database.
- Extracted fields (name, date of birth, address, license number) may be retained in our database for the purposes of fraud prevention, compliance, and 1099 reporting.
- WOML does not use license data for any purpose unrelated to platform verification and compliance.
- License data is never sold or shared with unaffiliated third parties.
- License data is retained for up to 7 years consistent with our general data retention policy.

14. CHANGES TO THIS POLICY

WOML reserves the right to update this Privacy Policy at any time. When we make material changes, we will update the Effective Date at the top of this document and, where practicable, notify active users via email or platform notification.
